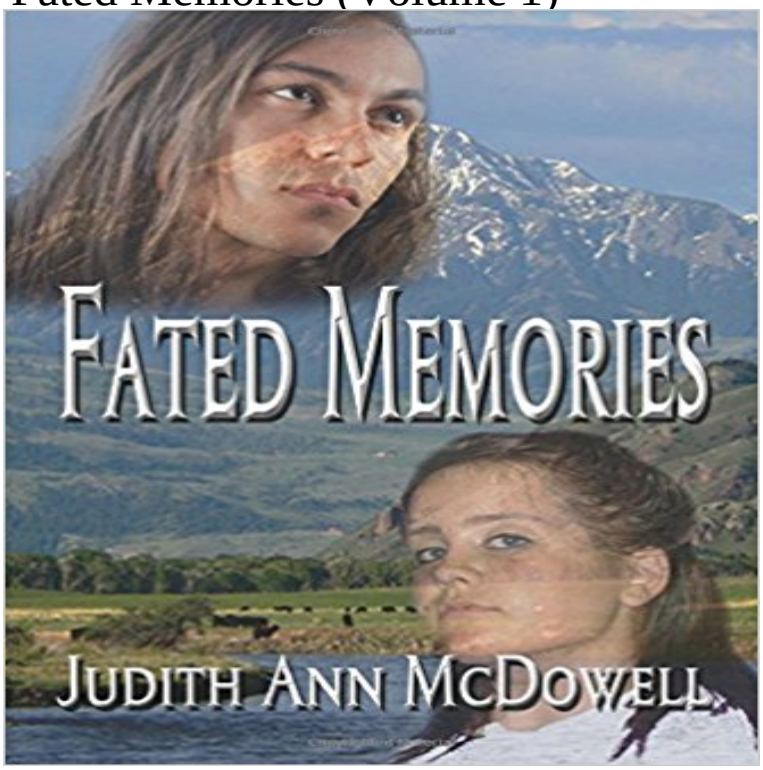
Fated Memories (Volume 1)



Jessie Thornton, the beautiful, only child of Eathen Thornton, one of the richest most powerful men in the state of Montana has never heard the word no until she sets her sights on Two Spirits, a young Blackfoot Native American her father has hired onto the ranch to tame the wild mustangs brought down out of the hills. In her struggle to be with the man she loves, Jessie soon finds herself fighting an uphill battle against 1903 Montana morals and small-town bigotry.
