best grooming. Testimonials on the back cover of THE SUCCESSFUL PET GROOMER Thanks to Ellen, I am never alone! She is frequently in my head during the day, reminding me to value my time, my health, and my growth as a professional pet stylist. Her intense passion for the grooming profession is obvious in her seminars, books, and especially in her personal interaction with other groomers. Thanks!!! Kathy Tonetti I wish there were more groomers with Ellens mentality. What a better industry it would be if her mentality went mainstream! Becky Eade Misener Ellens information is one of the most valuable tools that I use as a groomer. Her insight into the grooming industry and how we should see ourselves as groomers has changed my business forever. Thank you Ellen! Christine Lugo After listening to Ellen I no longer offer discounts. I was cheating myself and it made me angry when I had to groom those clients pets. Now I have a minimum charge at multiple pet homes and I have weeded out clients that I dread. Dawn ODay Foster I am standing my ground, thanks to Ellen. I am feeling liberated and validated!
