

Catching the Corporate Playboy

I CAN TURN ANY WOMAN INTO A PRINCESS. TAKE THE WAITRESS, FOR EXAMPLE That's what the arrogant, insufferable and, I admit, drop-dead-gorgeous multimillionaire Cameron O'Brien said when he thought I wasn't listening. Seems he'd bet he could make some poor little working girl over into his idea of the perfect woman and he'd chosen me! Well, he's about to find out there's a whole lot more to Darci Sanders than meets the eye. I'll play along with his little game, let him whisk me off to New York, dress me in designer clothes and teach me high-society manners. But along the way, I'm going to teach him the lesson of his life and maybe I'll just stick around to make sure it lasts a lifetime.
