

## Midnight Bleeds

Sage Ulric is a woman surrounded by mystery. Although she is aware of her past and her lineage, things aren't quite adding up for her. The father that she hates is still alive, the Demon that killed her Guardian isn't accounted for, her best friend has gone missing, and on top of it all, she has a ten-year-old girl to raise. Before she can even settle back into a somewhat normal routine, her entire world is turned upside down. Again. This time Sage has more to lose than ever before. And she won't go down without a fight. Return to the Other Side as Sage digs deeper into herself and a world she has only barely begun to understand. Book II of the Other Side Series
