Continued subversion of the dominant paradigm. David Contreras, The characters remind me of a Kurt Vonnegut book. Don Reim, I couldnt put it down. I had to find out what was going to happen. Laura Cooskey, You were right I did laugh out loud. From an unknown reader via amazon: This is a wonderfully satirical take on power, money, and mega-Christianity. Best of all, the reader really isnt sure how it will all end. Sit back and enjoy Hagg's skewering of the hypocrisy we see every day. Mary Erb, I want to let you know how much I enjoyed reading your novel, I Am Jesus: The Story of Kneeland. Actually, I loved reading it. Your characters and scenery were wonderfully written. By the time I finished reading the first paragraph I

was in Kneeland. By the time I was into the second chapter I realized I was reading a book that I never wanted to end. There are very few books that have had that effect on me. I savored every word and scene. I Am Jesus: The Story of Kneeland is a fun and thought provoking read that transported me away from my daily worries. From another amazon.com reader, The ending just blew me away-really unbelievably funny and apropos. Couldnt have been any better.
