

Secret Words: Arcana Verba

In the beginning, God said let there be light, and one angel -Saiel, cherished the word of creation above all things. He cherished the words so much, in time, he used their power for himself, creating huge empires on earth, subjugating millions, ravaging the planet, and even destroying human souls. But this violation brought divine wrath upon him and Karliel, a powerful twin-angel of fire, was sent to strip away Saiels memory of the words -but not before Saiel had hidden them in a book. New York City, 2015. Arilyn, a misfit and awkward teen, finds an ancient, leather-bound manuscript in her late grandfathers study.
