

Oliver Goldsmith: A Selection From His Works With an Introduction by E. E. Hale (Classic Reprint)

Excerpt from Oliver Goldsmith: A Selection From His Works With an Introduction by E. E. Hale Oliver Goldsmith is read wherever men read English; and, where he is read, he is almost always loved. He died comparatively young. He was but forty-five years old. He had not distinguished himself by any special research. There was no line of literature in which, at that moment, he was confessed to be a master. Men who went to his funeral called him poor Goldsmith; and it is most likely that they did not know, that after a century he would be perhaps the best remembered of any of them. Dr. Johnson seems to have surprised those around him, when he said that Goldsmith was a great man. But if to be remembered is any fair test of greatness, Goldsmith has probably as good a right as any of that self-satisfied circle to plead the evidence of after-memory. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
