

The Crow Creek Collection Vol. 1 (The Crow Creek Series Book 6)

On Sale for a Limited Time! Crow Creek Ranch nestles in the foothills of the Absaroka Range in Wyoming, bordering a wilderness that challenges brave men, testing their mettle and their hearts. Its been called hot, sexy and tender. Ash MacBryde is domineering and possessive, and carrying an emotional burden hes buried deep. Oak Richards is shy, reclusive, comfortable around the horses he loves, but tongue-tied when it comes to people. Two men, so different and yet alike, come together and find the missing pieces in each other. But loves never easy, not when one of them carries secrets. The chance arrival of an old friend and former lover re-ignites memories Ash has been trying to hide, threatening everything he holds dear. When he loses control and does the unthinkable, Oak runs, back to his home and back to an employer who had once cast him away like so much trash. Oak has his own demons waiting for him, in the guise of the man whod opened the closet door for him, a man determined to pick up where they left off so many years before. When Ash shows up to bring his man home, he discovers a side to Oak he never knew. And the only way the domineering, possessive man and the gentle reclusive soul can find their way back to Crow Creek Ranch means learning that Sometimes it takes two wrongs to make it right. Volume 1 brings you three full novels exploring how two men who struggle to carve out a future together must first vanquish the demons haunting them from their pasts. The Crow Creek Series is a saga as big as the wilderness and as intimate as the beat of a heart. Ash & Oak Pulling Leather Strapping Ash
