

The History of Pickwick: An Account of Its Characters, Localities, Allusions, and Illustrations, With a Bibliography (Classic Reprint)

Excerpt from The History of Pickwick: An Account of Its Characters, Localities, Allusions, and Illustrations, With a Bibliography

There are many who look back with delight to the days of their childhood, when Pickwick in its green wrappers, was coming out month by month, and furnished nearly two years of sustained enjoyment to people of all ages and conditions. The cherished numbers, bound into a volume, now lie before me, and bring back the recollection of the almost feverish expectancy with which its mirth-moving incidents were awaited or listened to, as the head of the family read them aloud, to increase, it might be, his own sense of the relish. Not the least merit in this book is that it should have been thus appreciated by children; but the aged found no less enjoyment in its humours; so those of the old and new fashion were alike recreated. This was in itself a phenomenon. If it be not read by the children of our generation, it is owing to the change in habits and manners; it is too much to expect such an exertion from the juvenile mind, as to assume the existence of duelling, stage coaches, elopements, old inns, and other obsolete things. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
