

## The Three Hostages (Illustrated)

### THE THREE HOSTAGES *John Buchan*

That evening, I remember, as I came up through the Mill Meadow, I was feeling peculiarly happy and contented. It was still mid-March, one of those spring days when noon is like May, and only the cold pearly haze at sunset warns a man that he is not done with winter. The season was absurdly early, for the blackthorn was in flower and the hedge roots were full of primroses.
