These naughty babysitters need to be taught a lesson by the older, experienced man in their lives! A sizzling collection of three hot stories that are guaranteed to get you off! **EXPLICIT** This collection of short stories contains graphic sex between an older man and college aged sitters. This bundle includes: **Spanking the Babysitter** Max finds out the babysitter has been stealing his liquor and watering it down to cover her tracks. He confronts her and decides she needs to be punished. Vanessa agrees to allow Max to spank her so she will learn her lesson. What happens when he spanks her bare bottom? What does Max do when he realizes how turned on this is making Vanessa? **OMG! Did That Just Happen?** Stacy is sitting for the Phillips and dreaming of breaking up with her boyfriend and finding a real man. The Phillips get home but Mrs. Phillips has had too much to drink and Stacy has to help put her to bed. Mr. Phillips is frustrated, this isn't how he wanted the night to turn out. Stacy looks at him and sees the type of real man she is looking for. Will one of them make a move? Can Mr. Phillips sleep with this beautiful college girl? **Babysitter Gone Wild** When babysitter, Kara, posts a nude photo of herself, little does she know her employer, Rob, has observed this naughty deed. Rob has been married for ten years and as his sexual frustrations run deep, in a sexless marriage, he surfs online to satisfy his needs and finds Kara's photo. What starts out as little more than a fantasy, peaks into a climax, as Kara and Rob share darkly-erotic and intimate stories. The only issue is that Kara has no idea of the true identity of her on-line seducer. How does Kara find out that it is Rob, a man approaching middle-age, who has been turning her on with his saucy talk? What happens when she finds out? How does Rob deal with the outcomes?
