

Vampire Harem: An Erotic Story of Vampirism and Submission

An erotic story of vampirism and submission. She felt more than ever like a sleeping beauty whod been awakened by a prince charming. Hed awakened her to dark corners of her mind she hadnt known existed. She adored everything he did to her. She adored the way he made love to her. She trembled with expectation at his next command. What would it be this time? He totally possessed her. He owned her body--all its parts--and he owned her soul. Warning: Scenes of explicit sex. Adults only, please!
