

Michael: And the Manacle of the Gods

Throughout the centuries there have been many wonderful stories told. Stories of gods, heroes, monsters and the individuals who have changed their own fates, and the story that is about to be told is no different. This is the story of an average boy who will learn what it means to be a hero and how to change fate, not only his own but that of others as well. While the main character may seem like an unlikely hero, he has all of the qualities that many great heroes have had in the past. Within this young man beats the heart of a champion, but like many champions he will be tested. This young man's name is Michael Richardson and he is about to go on the journey of a lifetime.
