

Irish Fairy Tales by William Butler Yeats (Unexpurgated Edition) (Halcyon Classics)

This Halcyon Classics collection contains fourteen classic Irish fairy tales collected and edited by William Butler Yeats. Yeats is well-known as one of the foremost figures of 20th-Century English-language poetry, drama, and literature. Yeats (1865-1939) is probably best known for his poetry, for which he received the Nobel Prize in Literature in 1923, the first Irish writer so honored. Yeats was born and educated in Dublin, studying poetry in his youth. From an early age he was fascinated by both Irish legends and the occult. Those topics feature in the first phase of his work, which lasted roughly until the turn of the century. His earliest volume of poetry was published in 1889. Yeats was also an important figure in the Irish Literary Revival, and a fervent Irish nationalist as well. This ebook is DRM free and includes an active table of contents with back-linking for easy navigation. Contents: Introduction Land and Water Fairies The Fairies Dancing-Place The Rival Kempers The Young Piper A Fairy Enchantment Teigue Of The Lee The Fairy Greyhound The Lady Of Gollerus Evil Spirits The Devils Mill Fergus Omara And The Air-Demons The Man Who Never Knew Fear Cats Seanchan The Bard And The King Of The Cats Owey And Owey-Na-Peak Kings And Warriors The Knighting Of Cuculain The Little Weaver Of Duleek Gate Appendix Classification Of Irish Fairies Authorities On Irish Folklore This unexpurgated edition contains the complete text, with minor errors and omissions corrected.
