

## Bodyguard Of Lightning: Orcs First Blood

When humans arrived on Maras Mantia, home of dwarves, elves, and all the other old races, they raped the land of its soul and magic. And, now the Orcs, whom Earthlings hunted down and slaughtered like beasts of the field, may be the chosen creatures destined to win peace for all...Wall to wall action, undercurrents of dark humor...gritty, fast paced...--David Gemmell, author of the bestselling Drenai series.
