

Legally Blonde

Before it was a blockbuster movie and a Broadway musical, LEGALLY BLONDE soared as a fresh, funny romance, with the unforgettable Elle Woods proving blondes will run the world. Elle Woods, California University senior, seems to have it all. President of Delta Gamma sorority, a star in the classroom (her major: sociopolitical jewelry design) and is on the verge of becoming the much-envied Mrs. Warner Huntington III. Too bad Warner, bound for Stanford Law, dumps her with the explanation that he now needs a more serious woman at his side. Faced with this unexpected reversal of fortune, Woods doesn't get depressed, she gets busy. Thanks to a creative application and a demand for diversity at Stanford Law, Elle gets her acceptance letter. Soon she's packing up her convertible as well as her miniature Chihuahua determined to win back her man, and to prove to herself that dreaming big is the only way to dream. Smart, fast, and funny. LEGALLY BLONDE proves just how much fun blondes really can have.
