

Light of Dreams (OTHER BOOKS PUBLISHING SERIES Book 1)

When a person comes face to face with someone they saw on television, it can give that person a jolt. That's exactly what happened to Luke Triland when he met Anna Coles, an ex-tennis professional. From the first moment he saw her on television, he was mesmerized. Beauty, athleticism, poise, and confidence. When Luke saw her, she became his favorite tennis player of all time. Of course, before her, he didn't watch much tennis. Luke saw stars when he thought of Anna. Anna saw an opportunity for someone to tell her fictional story through Other Books Publishing, Luke's company, with one caveat; that Luke would write it. So now there is no choice. Come Monday at 2pm Anna's coming to meet Luke. That said, we humbly invite you to read along and discover the surprises that ensue. All you have to do is read and enjoy while Luke and Anna discover a special relationship that can happen with a simple twist of reality. So, have a seat, cozy up with a nice warm blanket, perhaps take a seat by the soft glow of your fireplace, maybe pour yourself hot chocolate, coffee, or a nice cup of tea; then relax and let Luke and his team tell you about Other Books Publishing, a bit about some of the stories you can read once we've made them a reality, and a lot about believing in those around you. . . . and don't be afraid to dream.
