

Hard Boiled Vampire Killers

FULLY LOADED AND HALF IN THE BAG, FIGHTING EVIL ON TWO 99-CENT TACOS A DAY! Most people would call Ty Trotter a loser. He lives off his vampire girlfriend, cant hold a job, drinks and smokes the cheapest stuff on the shelves, and is Chairman for Life of his own Pity Committee, spending all his free time getting drunk, watching late-night TV and feeling sorry for himself. Most people would call Ed Ma a nerd. He lives with his parents and attends school part time. He doesnt have a job, doesnt talk to girls, doesnt know how to network, and doesnt know what he wants to do when he finally grows up. He does what his momma tells him and always tries to be a good son. He spends all his free time either at the gym or on the Internet. But while most people are asleep, Ty and Ed roam the streets of Atlanta, pushing the darkness back an inch at a time by any means necessary. You see, they hunt vampires, the parasitic undead that threaten the good people of the city. Ty snipes them with a big-game rifle, Ed cuts em down with a sword backed up by kung fu power. Maybe they really are losers. They sure aint registered voters, college professors, or members of the Chamber of Commerce. But they are HARD BOILED VAMPIRE KILLERS!
