

# Shattered

When it rains it pours. Hard-nosed and self-reliant Dallis O'Brien has had her fair share of devastation. Her father's tragic accident sparked what seemed like a domino effect of heartbreak and loss. Unable to shake the fear of enduring any more pain, she builds walls around her heart, hoping to heal on her own. Dallis' road to recovery is disrupted when she meets Grayson Rivera, a tattooed, coffee shop owner who, by appearances alone, isn't her typical match. Stubborn and hesitant to let him in, Dallis finally succumbs to Grayson's persistence, where he challenges her to face her loss while also having the walls of her heart broken down. With Grayson's assistance, Dallis must decide if she is willing to learn how to be weak in order to be strong.
