

Husband Up!: A Relationship Toolbox For Men Only

Wife unhappy? No or very little sex? Talk of a costly divorce? If this sounds familiar, fortunately (yes, there is good news here) you just found the right book. This short book was written with the good guy in mind. The guy that works hard, cares about his wife and family but has no clue or very little clue about why his wife is not happy with him. In just 50 pages, you will be given straightforward tools - what to do and what to say to get your relationship back onto the happier track. Even those that are relationship impaired can apply these tools to bring back that happy wife, that healthy sex life and rebuild a successful marriage.
