

Aethenvale - Book 1: The Cloaks of Elrynith

In the once peaceful country of Aethenvale, havoc strikes when a mysterious clan of swordsmen ravage the kingdom. They pillage and murder the inhabitants, and all they leave behind are objects and symbols leading to the great kingdom of Elrynith. Vengeful farm boy, Desmonde Plox, meets with princes William and Nathan, and they are sent to destroy the Swordsmen. But, upon reaching Elrynith, they discover that the source of Aethenvales treacherous past is far darker than anything they would have expected.
