

Havok Magazine 2.2

Not so long ago, in a multiverse near you, the walls of reality crumbled and the genres began to bleed into one another. Chaos ensued. The events that followed were recorded by some of the most gifted transcribers in the realms. From the featured story The First Werewolf on Mars, by Randy Ingermanson, award-winning author, to a steampunk romance--from the undead in the outer reaches of the galaxy to a giant who rules the other creatures in a dystopian future--and everything in between--the pages of this Crossover Chaos issue of Havok will thrill you with mash-ups of unparalleled awesomeness. Dive in and enjoy these unknown worlds. Become one with the chaos.
