

Conan the Cimmerian #13

Written by Tomas Giorello, Timothy Truman. In Black Altar, the relentless final chapter in the Black Colossus adaptation, Natohks desert hordes surge up the narrow Shamla Pass, and Conans ragged army desperately attempts to hold their high ground. Outnumbered and facing an army fueled by a zealous, reborn Stygian wizard, simply surviving may be the greatest victory Conan can hope for. Any triumph will ring hollow, though, if Conan cant protect Khorajas current sovereign, the beautiful Princess Yasmela-whom Natohk has vowed to capture! Tim Truman, TomA?s Giorello, and Jose Villarrubia bring the gripping, blood-filled Battle of Shamla Pass to life! Smartly written and flawlessly rendered, dont miss the epic finale to a Robert E. Howard classic.
