

Yard Sale Tips: How to Generate Fast Cash from Stuff You Dont Want

A yard sale can be a quick and easy way to not only make some quick cash, but also unload unwanted items, meet neighbors, connect with friends, and have some fun! In this book, you will learn how to have a successful yard sale. First, you will learn how to get ready for the yard sale by gathering, preparing and staging your items, and involving others who can help. Next you will learn how to get the word out to attract people to your sale through the placement of ads and in newspapers, on social media and through local connection. Third, you will learn how to price your items so you meet the objectives of your yard sale. Fourth, you learn how to set up your yard sale venue, both before and during your sale. Finally, you learn what to do on the day of your yard sale, game day where to place signs, how to handle the pros, ways to protect your valuables in a busy sale and more. So get ready to have some fun and enjoy a successful yard sale!
