

Willow Harvest (Ulverscroft Large Print Series)

Was it purely by chance that the Nash family, newcomers to that part of the West Country, should share the same surname as the evil man who long ago had been put to the gallows at Beech Cross? But it was enough for the village folk to regard these strong-willed craftsmen with suspicion and dread. And though many lusted after young Rosie Nash, they could not rid themselves of their ancient fears. Willow Harvest is the unforgettable story of jealousy and hatred, love and romance.
