

A Time for Adventure (A Gerry Macneil Saga Book 1)

Description A RIP ROARING TIME TRAVEL ADVENTURE An unexpected blow from a stray golf ball sends Gerry MacNeil back in time to the 1920s. After a chance meeting and falling in love with Eloise Ponsonby, Gerry is thrust into a world of adventure and a race against time. Under instructions from Al Capone, Eloise is kidnapped by her fathers business partner David Steinberg. Now both Gerry and her father Georgie follow a trail of double crossing gun-runners, gangsters and Nazi collaborators from England, Germany and the USA in their attempts to rescue Eloise. And thats just the start of their adventures. With the help of Peter Dann, one of MI6s finest agents, Al Capones most feared adversary and a time traveller himself, Gerry not only discover the truth about time travel but must also thwart a plot to assassinate an important future political leader or see the world fall under the Nazis rule.
