

French Kisses on the Nile

French Kisses on the Nile takes you on a mysterious voyage beyond time and place. Enjoy being at the top of the largest pyramid in the world watching a dazzling harem from The Thousand and One Nights perform their seductive dances. Envision Napoleons army roaming the streets of Cairo after their initial victory. Become a witness to an unprecedented historic encounter between Egypt and France. Discover how two diverse cultures perceive one another during a spectacular human drama. Beware! When the aroma of strong coffee, the haze of tobacco smoke and the exotic perfume of dancers intermingle, the outcome can never be predicted.
