

Loving

Loving The tales of Jack and Adelia. Jack is a stage and screen performer. He treats us to accounts of romantic events that occur while he is immersed in his performances. With Jack the reader inhabits a place that lies somewhere between the written page and the auditorium. Adelia is a journalist and a writer of stories. The social connections that she describes mirror her creative preoccupation with the game of consequences. With Adelia the reader is led to discover a place where her life and her literary ambition meet.
