

Self Evalutaion at the Celestial Mirror - Am i hosting Multiple personalities ?

Self Evaluation at the Celestial Mirror which I had the privilege of editing is the work that exposes to the lay all our inner most fears, suspicions, anxieties, concerns, prejudices and worries in the manner of an expert psychiatrist. That it does so on the basis on the Word of God makes it possible to look for a wholesome deliverance with the aid of the Holy Spirit. It is a collection of nuggets of truth, which the author labels as syndromes. Dr. Johnson a Radiologist uses the analogy of fluoroscopic and X-ray images to see through us and our personalities and expose the subtle games we play with ourselves and others in our circle. Let the beauty of Jesus be seen in us. Judah S.G. Vincent B.E.
