

## Sorrows Anthem (Lincoln Perry)

In the beginning it was all about money. Then things got personal. This is the story that Ed Gradduk tells his best friend, and private investigator, Lincoln Perry. Ed is on the run, hiding from the police who intend to arrest him for arson and murder. When Gradduk is killed in a violent confrontation with police, Perry cannot shake his friend's death and vows to understand the forces that brought him down. With an intense exploration of both character and crime, Sorrows Anthem establishes Michael Koryta as one of the top young mystery writers in America today.
