

The Outdoor Girls in Florida; Or, Wintering in the Sunny South

Trajectory presents classics of world literature with 21st century features! Our original-text editions include the following visual enhancements to foster a deeper understanding of the work: Word Clouds at the start of each chapter highlight important words. Word, sentence, paragraph counts, and reading time help readers and teachers determine chapter complexity. Co-occurrence graphs depict character-to-character interactions as well character to place interactions. Sentiment indexes identify positive and negative trends in mood within each chapter. Frequency graphs help display the impact this book has had on popular culture since its original date of publication. Use Trajectory analytics to deepen comprehension, to provide a focus for discussions and writing assignments, and to engage new readers with some of the greatest stories ever told. *The Outdoor Girls in Florida; Or, Wintering in the Sunny South* by Laura Lee Hope is a delightful story about four girls adventures during World War I. This story is the fifth novel in the Outdoor girls series.
