

Sams Place: Stories

Step inside Sams and you can play a game of eight ball, nurse a beer, or get to know a wayward preacher, a reformed hooker, an Iraq vet amputee - or Sam himself. You may watch a baby being born, see a deadly knife fight, or simply hear tall tales. But there's always a rough-hewn truth within the lies, and Sams there to manage everything from birth to death with a righteous cant. All things considered, it isn't a bad world. Sams Place is a collection of interwoven short stories that revolve around a local watering hole in the Alabama town of Striven. Pull up a chair and get to know the locals in this powerful and entertaining world that is Sams Place.
