

adventures in brainmancing: getting funky with your brain

have you ever wondered what exactly goes on in that brain of yours? did you ever think there could be a whole other world full of living breathing people that exist or could exist? in adventures in brainmancing we dont just blur the line between fantasy and reality we paint over it and make it disappear completely, come join me in a world of truthful imagination, whether you believe my story is up to you, but i will tell you this, stranger things, much much stranger things can happen in the world than what ive written in this book.
