Reluctant at first, she eventually agrees to explore her secret desires with BDSM tapas?small bites of erotic d/s scenarios featuring Ethan as her captor, boss, interrogator, professor, and master. Each eye-opening and sex-fueled scene leaves her more breathless than the last. Ethans surprised to find himself challenged by Colins strength. He must break Colins heart to save her from the vengeance that threatens her dream. But Colin has other ideas. Like whose heart should break and who should ultimately surrender
