

Miss Bretherton.

Title: Miss Bretherton. Publisher: British Library, Historical Print Editions
The British Library is the national library of the United Kingdom. It is one of the worlds largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The NOVELS OF THE 18th & 19th CENTURIES collection includes books from the British Library digitised by Microsoft. The collection includes major and minor works from a period which saw the development and triumph of the English novel. These classics were written for a range of audiences and will engage any reading enthusiast. ++++The below data was compiled from various identification fields in the bibliographic record of this title.
