

## Words in Motion: From Birth, to Death, and Life in Between

I call my book, Words in Motion for many reasons..These words/set in poem are written about everything from birth, to death, marriage, anniversaries, religion, personal, Ordinations, and yes, even political. They were written for friends, family, loved ones, and many at the request of strangers Many said they found consolation, peace, and comfort in these poems.. I thank God for giving me these words I promised God my Devotion and He gave me the words to write, to Put into Motion. I feel that God has given to me a Gift, if you will, to be able to express in words, the pain/happiness/ and sadness of others, even to giving words to them from a loved one who has passed on I have even been given words of things regarding freedom of speech or the right to worship in our own way, about Prayer and War. Yes, someone once said that The Pen is Mightier than the Sword, and I truly believe that to be very true, especially when God is guiding every stroke of the pen, so, I pray that you can identify with, or find comfort in any of these poems that I have written with much Love and Devotion
