Lilys mother has just passed away and she is left with her father and his best friend for guidance into womanhood. When her father leaves her in his best friends care while he is serving his country, Lilys life changes dramatically. When her father dies, Lily becomes a force to be reckoned with. Over the years Lily chooses to live hard and learn less while she figures out who she is and what shes worth. Next we meet Cassandra, who is being raised by a stepmother that doesnt particularly like children and a father that is both passive and overly protective. Cassandra falls into a world of addiction and low self-esteem as she builds her modeling and acting careers. Shawn lives in a fantasy world where her looks dont matter and she reigns supreme. She grows up angry and bitter after an accident almost leaves her dead. Shawn has to learn that forgiveness starts with self. Bobbi has had the hard knock life. Shes streetwise and sassy, seemingly having it all together. On the inside, Bobbi is just screaming to be loved and to be able to trust someone not to leave her. As the girls get older and go out into the world its each other they come to rely on. Shh is a story of overcoming obstacles and finding strength.
