

The First Dance: A Barnaby Skye Novel (Skyles West)

Miles City, Montana, 1885. Barnaby Skyes mixed-blood son, Dirk, has just married a beautiful Metis girl, Therese, but his position as a civilian translator for the U.S. Army threatens to shatter their union. When Dirk is forced to serve in the brutal campaign between Montanas disgruntled cattle ranchers and the native Metis people, a distraught Therese flees on their wedding night. Though they have been torn apart, Therese and Dirk share a powerful bond and a common cause: the desire to help the displaced Metis find a home. Their love pulls them toward reconciliation and new hope for Thereses people.
