

FATE

Fritz Dorfmann was simply a good soldier trying to serve his country during World War II. Taken prisoner early in the war, he was shipped to a POW camp in America where he discovers things he never expected to find. Along the way, he finds love-- and peril. A war time prisoner normally spends his entire time in captivity planning an escape. Fritz finds that he is forced to make an entirely different and unforeseen choice.

A dramatic climax worthy of the Great Plains setting in which it takes place, worthy of being played out in the OK Corral, is the final act in the story, the Fate, if you will, of Fritz and his friends-- and his enemies.
