

## They Really Happened: Volume 2

As the title suggests, the stories in this book are incidents that actually happened in the lives of people. The stories fall into different categories such as unexplained phenomenon, bizarre happenings, spiritual, horror, mystery, going beyond human limit, and a host of others. All these incidents have reason or reasons as to why they happened and embedded in these true incidents are values and as such, these experiences must be told and shared with people of all ages, backgrounds and from different countries, which will go towards helping them in all spheres of life. The stories, written without tempering or changing facts to get readers attention, are all written with a different style where a lot of focus is given to plot, which unfolds gradually but quickly. The vocabulary used is simple, which facilitates understanding and uninterrupted reading and the sentences used are a combination of simple, compound, and complex sentences, which renders reading of this book pleasurable. If the intention is to find an interesting source to read or utilize leisure time beneficially, or improve English Language proficiency, then this book is a must-buy.
