

Chills: The eerie side of poetry (Volume 1)

You're all alone and it's quiet. Out of the corner of your eye, you see something move. But nothing's there. Or is it? Sometimes things are just as they appear. But sometimes... well, that's another story.?

Chills is a collaboration by mother/daughter team Anne and Jessica Peterson. Jessica shows her pictures and Anne tells the story using poetry. This is the first volume in their series.
