

Oil Rig Jobs - The Ultimate Oil & Gas Industry Employment Guide: Newly Updated For 2014

Oil rig jobs are becoming more popular as a direct result of the growing demand for oil worldwide by an ever-increasing number of developing countries. As an example, North Dakota oil job opportunities are booming right now as a result of continued exploration in the Bakken territory. Because of the relative stability of the oil and gas industry globally, scores of jobseekers are now realizing the many benefits of securing valuable employment within the multi-billion dollar oil and gas industry, especially in the Bakken oil field. Written by an oil rig drilling insider, this book reveals in great detail how to quickly secure entry-level jobs as well as jobs reserved for seasoned workers, within the oil and gas industry in under thirty (30) days. All readers, regardless of work experience level or background, will learn the Top Five (5) Secrets that most people don't want you to know about landing a lucrative, six figure land rig or offshore rig job working just six months a year. There are literally thousands of oil rig drilling companies operating around the world today. However, the vast majority of these companies prefer to keep a low public profile which makes it extremely difficult to know who they are, and how to best contact them about their prospective job openings. This book empowers you to easily navigate through the corporate bureaucracy and not waste your valuable time trying to find out which oil companies are hiring at this time. The most common oil and gas jobs include the following: Deck Crew Drill Crew Catering Control Room Personnel Roustabout Medical Electrical Subsea Mechanical In this book, you're also going to gain access to the most reputable international oil and gas industry job boards that you can use to source your next dream oil rig job, be it on land or offshore. By taking advantage of this valuable insider information, you'll be

able to land a lucrative oil rig worker job in North Dakota, Alaska, Texas, Oklahoma or other highly sought after oil rig locations around the world in a matter of days. You deserve a great oil rig job I hope that this book makes your search for a job in the Bakken oil field or in another ideal location much easier - Good Luck!
