

## Books and Plays (Classic Reprint)

Excerpt from Books and PlaysMr Merediths position among contemporary novelists is a peculiar one though it has recently undergone some modification. His following has hitherto made up in enthusiasm what it has lacked in numbers, but he has lately become known to a wider circle of readers, and has necessarily, therefore, increased his admirers, who have been encouraged to proclaim their belief in his powers and accomplishments, and their confidence in his ultimate recognition as one of the first literary artists of his time and country.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books.
