

A Laymans Apology (Classic Reprint)

Excerpt from A Laymans Apology
The writer of the following essays, though venturing to deal with questions involving both science and religion, is neither a savant nor a theologian, but emphatically a layman in both departments of study, laying no claim to authority as an expounder of either, and only endeavoring to correlate certain universally accepted truths that speak for themselves, and deduce from them their sometimes overlooked but strictly logical consequences.

About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
