

Redemption (Scarlet Knight Book 1)

Redemption is a story of love and vengeance, involving knights and lords and hope for the soul. Too often stories end in vengeance, killing off the killer of a loved one, but not caring enough for what happens afterward and the recovery of a man back to himself after tragedy. A knights sister and beloved are dead-naturally he kills the dark lord responsible. But murder leaves the stain of hatred on the soul- transforming him into the Scarlet Knight. By the help of wizard, redemption is possible.
