

## Akhenaten: Son of the Sun (Egyptian Cycle S)

In ancient Egypt during the magnificent eighteenth dynasty the Pharaoh Akhenaten and his queen, the strong and beautiful Nefertiti, are engaged in a dramatic battle against the wealthy, corrupt and dangerously powerful priests of Amun. Haunting and full of surprises, The Son of the Sun, gives a fascinating glimpse into an ancient civilisation. It is a story about hate and love, despair and hope, but more than that it is the story of extraordinary spiritual and psychic powers being tested to their limits.
