

Trespassing Through Life

In the world of high stakes horse racing among wealthy patrons in the Middle East, Petra Friedland has a demanding and exciting career but feels her personal life is short-changed. Time is ticking away and Petra is haunted by failed relationships and the prospect of a bleak future. A hot but complicated affair with a younger man awakens a long forgotten passion for life within Petra, compelling her to choose whether to risk the stability she has fought so hard to achieve in order to search for the happy equilibrium she yearns for. She makes a plan but questions how far is she willing to go - balancing the emotional, material, and physical costs - to achieve happiness and fulfilment. Will new adventures bring satisfaction or will the past catch up to destroy Petras efforts to build a new life? Trespassing Through Life offers a glimpse into contrasting cultures, illustrated within the exotic and titillating world of equestrianism, thoroughbred racing, and international travel.
