

## Black Cobra #1: Americas Champion of Justice

BLACK COBRA #1 Steve Drake, who appears to be nothing more than a rather nice-looking, intelligent young man, is in reality BLACK COBRA, a man with no special powers who has decided to fight crime, because.....well, because crime needs fighting! These are adventures of BLACK COBRA, as published in the 1950s by Ajax-Farrell. Now you can re-live (or, enjoy for the first time) the great adventures of generations past with the ecomics.space line of comic reprints! The comic reprints from ecomics.space are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available
