

## Sex Crazy Summer Break

You've found one of my books, now go to my author page for all the rest please. Is the fastest and best way to see them all in one place, thank you. Our story is set at one of the more sensitive establishments for the education of Young Women. It's the summer break, and those female students that cannot return home for myriad reasons are staying over, however idle minds will turn to mischief especially where our horny boarders are concerned. They want sex with each other or with any well-endowed man they can find to satisfy their lusty needs. These young eighteen-year-old women are predators and seductresses and they go all out to get their way: This is a UK Based Story Publishers note: my stories feature full on sexual situations of every kind including straight sex, girl/girl, toys, anal sex, the occasional spanking and are very explicit in their sexual content and if you should purchase this book and you enjoy reading it then when you receive that leave a review message from Amazon please think for a moment before deleting it.
