

The Bastard

Even as a child Bethany knew that Jake was dangerous, but for her he would always have a fatal attraction. Bethany will never forget the tragic day in the woods when the cousins first met the Bastard. None of them could guess at what terrible repercussions this meeting would have or how it would affect all their lives. Are they all destined to suffer for their childish folly or will some of them find happiness at last? Crippled and twisted in body and mind, Stephen carries a deep hatred of the bastard who caused his accident. He will take his revenge on all those who care for him, but it is Jake and Bethany he hates the most. Michael loves Bethany and is prepared to use any means at his disposal to have her. Torn between two men, Bethany finds her solace in the care of children sent away from their homes because of the terrible war that pours havoc on the streets of England's cities. Despite the pain they inflict, she remains loyal to those she cares for and can only watch helplessly as they bring about their own destruction. Can she find happiness for herself?
